

FISHING

BOATING

CAMPING

Daily:

\$2.50

\$7.00

\$5.00

Annual:

\$15.00

\$26.00

No fishing permit is required for children under 16 or adults ages 65 and over. All persons placing watercraft on the lake must purchase a boat permit from the city (these expire December 31st each year).

Permits are available at the City Planning Department at 222 N. Broadway (878-1616). Daily and annual fishing permits and daily boating permits can also be purchased at the Sunny Beaches convenience store located at the corner of Belcher and Lake Roads.

If the City Planning Department is closed, people wishing to camp overnight in the Isaac Walton Park can park in a camping spot and the Parks Department will come by nightly to collect the permit fee. All camping is on a first-come first-serve basis.
